

Nursery Drop-In Sessions

For those children starting Nursery in
September 2021

Thursday 24th June 2021

Dear Parents,

We are offering a choice of short drop-in sessions to meet me in nursery. This is an opportunity to bring your child to the setting if you wish, and for you to ask any questions or raise concerns. During the drop-in we will be providing you with an activity pack, full of ideas and resources for supporting your child's development. We will also be providing you with the admissions paperwork to complete. You may want to look at the e-book about the paperwork in advance then you will have the opportunities to have any questions answered.

The drop-in times are as follows and will be allocated on a first come basis.

AM slots	PM slots
9.15 - 9.45	12.45 - 1.15
10.00 - 10.30	1.30 - 2.00
10.45 - 11.15	2.15 - 2.45

In order to book a slot please could you contact the school by calling the office on 822328 or emailing admin@westend.northumberland.sch.uk to select a suitable time. We will be having groups of no more than five additional adults and government guidance on hands, face, space will apply if appropriate at that time.

We look forward to hearing from you soon.

Best Wishes

Miss K. Porter
