

Meet The Teacher Year 2 2018

The Year 2 teachers are Mr Waters and Mrs McLeod in Hazel Class and Mrs Hedley in Cherry Class. Our support staff are; Mrs Humphreys, Mrs McConnell and Mrs Carter. Mrs Wilson, Mrs Hinson and Mrs McConnell cover Year 2 when we are not teaching.

We want the children to be happy, safe and confident.

We have high expectations of behaviour and progress.

We encourage the children to do their best through:

House points

As you are aware, your child is in a "house." (Humford, Bolam, Plessey, Simonside, Kielder.) They earn "house points" for their house for excellent work, effort, behaviour, manners etc. The house points are counted up each week and announced in assembly. The winning house each half term is awarded a house treat!

Golden Book

Each week we have a golden assembly on Friday morning. The teachers put the names of two children who have excelled in the golden book. They stand up in assembly and receive a sticker and a small prize. Teachers keep a record of who has been in the book and all children will be entered during the year.

Traffic lights

We have a traffic light system in each classroom. The children's names are placed on the green light and we expect them to stay there. If a child behaves inappropriately, their name is moved to the amber light which is a warning. If inappropriate behaviour continues, the name will be moved to red and the child will miss some playtime. Children will start each new session of the day on green.

Golden Time

The children will earn golden time for good work/behaviour where they will be able to choose and play.

We develop relationships and raise self esteem through:

PHSEe lessons/ Circle time

We have planned Personal, Health, Social, emotional and Economic lessons each week where we give the children the opportunity to discuss their views, concerns, feelings and experiences openly.
