Appointments will be released on **Friday 14 October at 6.00pm**, details of how to book will be sent via e-mail.

Autumn and Winter Illnesses

There are a lot of nasty bugs and colds going around at the moment. Please help us to minimise the risk of spreading illnesses around by keeping your child at home if he/she has the following:

- If your child has sickness and diarrhoea he/she must stay off school until 48 hours after the last bout of diarrhoea or vomiting
- If your child has a heavy cold he/she should stay off school until well enough to return, i.e. when the worst of the cold symptoms are finished and your child is less likely to pass on infections by frequent coughing or sneezing
- If you suspect your child has Covid and have a test kit you should test your child and if the test is positive he/she should stay off school for 3 full days, only returning if he/she no longer has a temperature. If your child does not have Covid or if you are unable to test, he/she should stay off school until well enough to return. Please keep your child off school until any temperature has gone.

Flu Immunisations

The flu immunisations will be given in school on **Tuesday 8 November**. Children will only be immunised if parents have completed the on-form which was sent out at the beginning of September. There is still time to complete this if you wish your child to receive the immunisation.

Co-op Community Fund

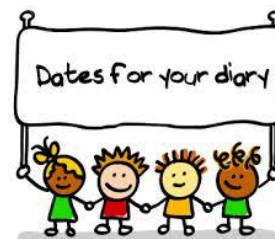

We are delighted to let you know that our school has been chosen to be part of the next round of the Co-op Community Fund. The funding will start on Sunday 23 October and will run for 12 months. During this time Co-op members will be able to select our school as their cause and help us to raise funds to provide a Reception class canopy for the garden.

You can choose your cause by logging on to the Co-op membership page on the link to start donating to West End Primary School PTFA. You will need to do this on 23 October 2022.

If you are not already a Co-op member you can become a member by following the above link or call into your local Co-op for an application form and get involved with the fundraising.
