

Consultation on our Personal, Social, Health and Economic (PSHE) Education and Relationships, Sex and Health Education (RSHE) Curriculum

Dear Parent/Carer,

At Bedlington West End Primary School, we are committed to providing a high-quality Personal, Social, Health and Economic (PSHE) and Relationships, Sex and Health Education (RSHE) curriculum that supports our children to stay safe, healthy and prepared for life in the modern world.

The Department for Education has recently published updated statutory guidance for Relationships, Sex and Health Education (RSHE), which schools are required to implement from September 2026. As part of this process, we are reviewing our current PSHE and RSHE policy and curriculum to ensure it continues to meet statutory requirements and reflects the needs of our children and wider school community.

We value the views of parents and carers and would like to invite you to take part in our consultation process.

The following documents are available to view on the school website in the PSHE/RSHE section:

- Draft PSHE and RSHE Policy
- PSHE and RSHE Curriculum Overviews
- Information about the statutory guidance
- Parent Consultation Feedback Questionnaire

We encourage all parents and carers to review these documents and share their views by completing the questionnaire. Your feedback will help inform the final version of the policy before it is presented to Governors for approval.

The consultation will run from Monday 29th June to Friday 10th July You can access all consultation materials by visiting the PSHE/RSHE Curriculum tab on the school website.

Should you have any questions regarding the policy or curriculum content, please contact Mrs Langley (PSHE/RSHE lead) or Mrs Dey (Headteacher).

Thank you for taking the time to support this consultation and for continuing to work in partnership with us to provide the best possible education for our children.

Yours sincerely,

Mrs J. Dey

Headteacher

Mrs E. Langley

PSHE/RSHE Lead
