

Year 2 Plan for Phonics and Spelling Spring A

Dear Parents, this is our plan for the teaching of phonics and spelling in Spring A. On Mondays and some other days we will have dedicated lessons to these objectives, other days we will have quick 10 minute sessions. Some children will work on the tricky sounds while others will consolidate the sounds from previous weeks. We hope that you find this useful to support your child but do remember that there will be no formal testing of spellings.
