

Another great couple of weeks as we head towards half term. We have launched our Ready, Respectful, Safe behaviour code of conduct. Look out for an email about it soon with more details.

The children have showed us how ready, respectful and safe they can be and we are so proud of them!

There are a few changes to the diary dates so please check them carefully.

Have a lovely weekend!

Yes, I can!

We love celebrating great successes and Y3 are feeling particularly proud of one of our children who experienced his first competition in gymnastics. Taking 1st place amongst the boys for floor, vault and beam and therefore overall 1st as well, it's fantastic to see a 'Yes I Can' mentality out of school as well.

Amazing work!

Yes I can!

We are very proud of our new School Councillors. Their applications were great and the children enjoyed voting for them.

Congratulations!

Attendance for this year so far

Safeguarding message

Mrs Water

Mrs McLeod

Mr Chapman

Mrs McFall

Miss Ward

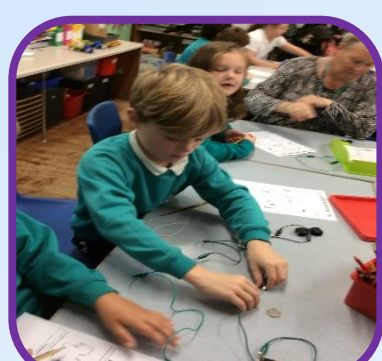

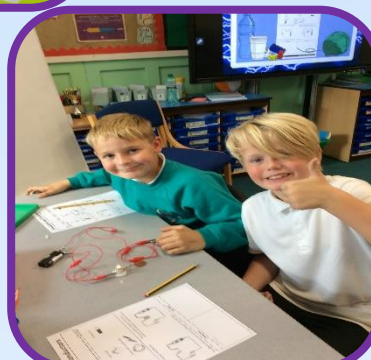

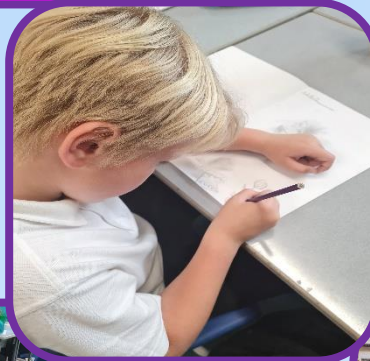

We welcome our Link Governor – Mr Chapman to our safeguarding lead team.

Contextual: Our front street is very busy and we have had some near misses recently. Please ensure children use the crossing.

Please ensure you check our messaging service regularly as we often send out important safeguarding messages as we get them into school.

If you have any concerns, please contact one of our safeguarding leads.

Chestnut Class
 Year 4 have been very busy this fortnight with lots of hands on activities that the children have loved.

Year 3

Poplar and Oak enjoyed their local area walk and learned a lot about land use in Bedlington.

Learning Outdoors
Our Early Years children love learning outdoors. They enjoy using things they find to extend their learning and develop vocabulary.

Rowan – WWII

Rowan Class were privileged this week to have a very special visitor who was able to come and talk to them about what it was like to live during World War II. They continued the World War II theme in the cookery lesson this week where they learned the skills of peeling and chopping.

Outdoors

Year 2 explored outdoors this week with their magnifying glasses to hunt for insects and discover if they preferred light or dark places.
