Autumn Maths Planning Year Four

	Multiplication focus	General Focus
Week 1	(2 days of Maths after children settle in)	Place Value - Adding 10 or 100 to a given number. Discussing which column/columns change.
Week 2	Mixed tables – 2/5/10	Place Value – reading and writing numbers up to 6 places. Ordering numbers and finding missing numbers in a sequence. Partitioning numbers in different ways eg 94 = 90 + 4 = 80+14 etc
Week 3	Three times table	Multiplying and dividing by 10 and 100.
Week 4	Four times table	Finding pairs of numbers which are equal to 10/100 and 1000
Week 5	Mixed 3 and 4	Formal addition strategies
Week 6	6 times table	Formal Subtraction Rounding to the nearest 10, 100 and 1000
Week 7	6 times table	Naming, sorting and describing 2D shapes using mathematical vocabulary.
Week B 1	8 times table	Assess and review last half term concepts Grid method multiplication One digit multiplied by 2 digit or 3 digit and then 2 digit by a 2 digit.
Week B2	8 times table	Division without remainders and then extending to division with remainders

Week B3	Mixed times table covered so far	Adding and subtracting fractions/comparing and ordering fractions.
Week B4		Finding unit and non unit fractions of numbers.
Week B5		Mixed calculations using the methods covered so far for addition/Subtraction/multiplication and division.
Week B6		Time – telling the time to the five minute interval
Week B7		Christmas Maths
