

# Year One Homework Challenges Autumn B 2018

<b>Maths</b>	<b>Maths</b>	<b>Literacy</b>	<b>Literacy</b>	<b>Life Skills</b>
Count to 20 (or 30) forwards and backwards. Choose a number and find one more and one less or two more and two less.	Learn your doubles up to $10+10=20$ off by heart! Can you answer without working it out? Turn them around, e.g: $? + ? = 16$	Work with an adult to write a set of numbered, bossy instructions to make a perfect cup of tea! The adults will try it out in the staffroom!!!	Practise your handwriting! Have you nipped, flipped and gripped your pencil? So far, we have practised curly caterpillar letters and long ladder letters. We will be looking at one-armed robot letters during this half term. Parents - insist on correct size and position please!	Learn the green cross code for crossing roads safely. Can you think of any other rules to stay safe on paths and roads?
<b>Art/RE</b>	<b>Geography</b>	<b>ICT</b>	<b>Science/Art</b>	<b>Music</b>
Create a picture of the nativity scene using any materials that you want to.	Carry out a 5 min traffic survey in your road to see if your road is busier than the school road (that we survey). Count cars, vans, bikes and buses.	Use any art package on a computer (paint, dazzle, websites) and create a picture. Stick it into your homework book.	Can you remember the four seasons and the months in each one? Create a piece of art showing the four seasons using any techniques you want to.	In your home, find things that make these sounds: *quiet *loud *high *low *smooth *jumpy
