

Logging into School 360

If using a PC / desktop, before logging in, please ensure that your Adobe Flash settings are up to date.

If accessing on an ipad or tablet, please note that some functionality may be lost.

Type **school 360** into your internet search engine and click on the link.

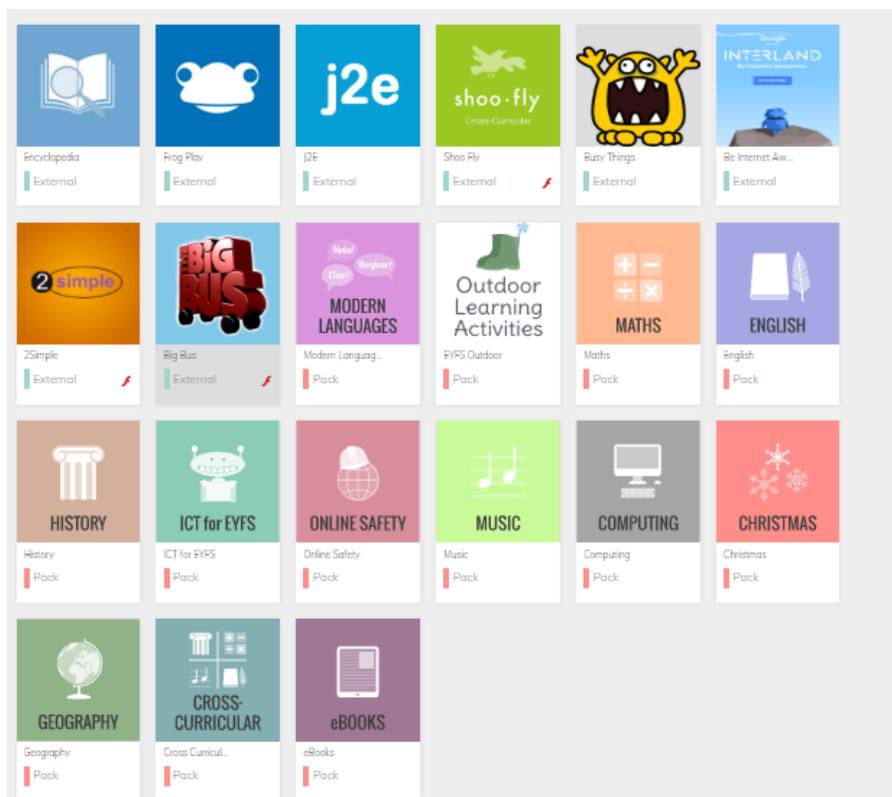

Your child should enter their School 360 username and password. This will be in the home-learning pack that they received last week. Younger children may need some help.

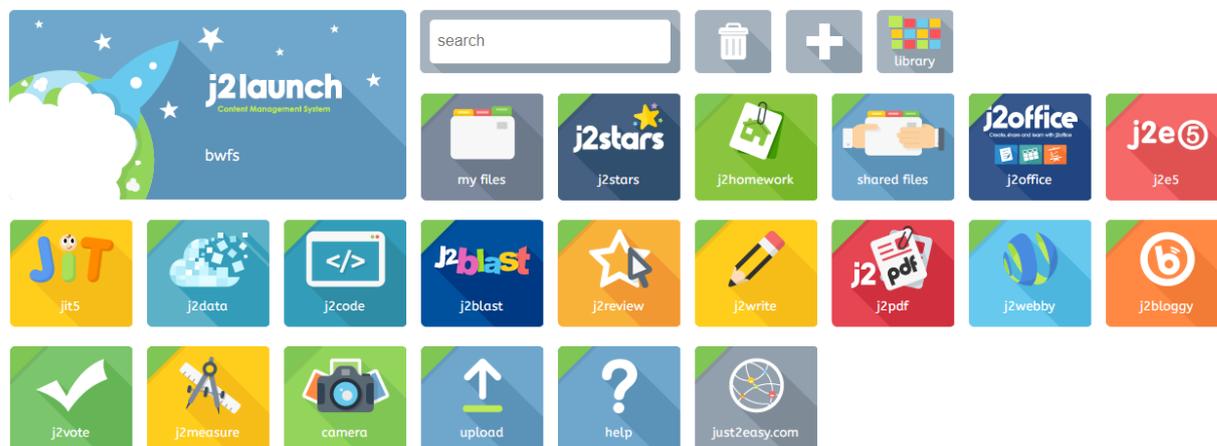

A screenshot of the School360 login page. The page has a dark grey header with the 'SCHOOL360' logo in white and red. Below the header, the background is light green. The text 'WELCOME TO SCHOOL360' is centered. There are three input fields: 'Username', 'Password', and a 'Login' button. The 'Login' button is a dark teal rounded rectangle.

Once logged in, your child should be directed to their home page. Any messages from their teacher will be on their message board.

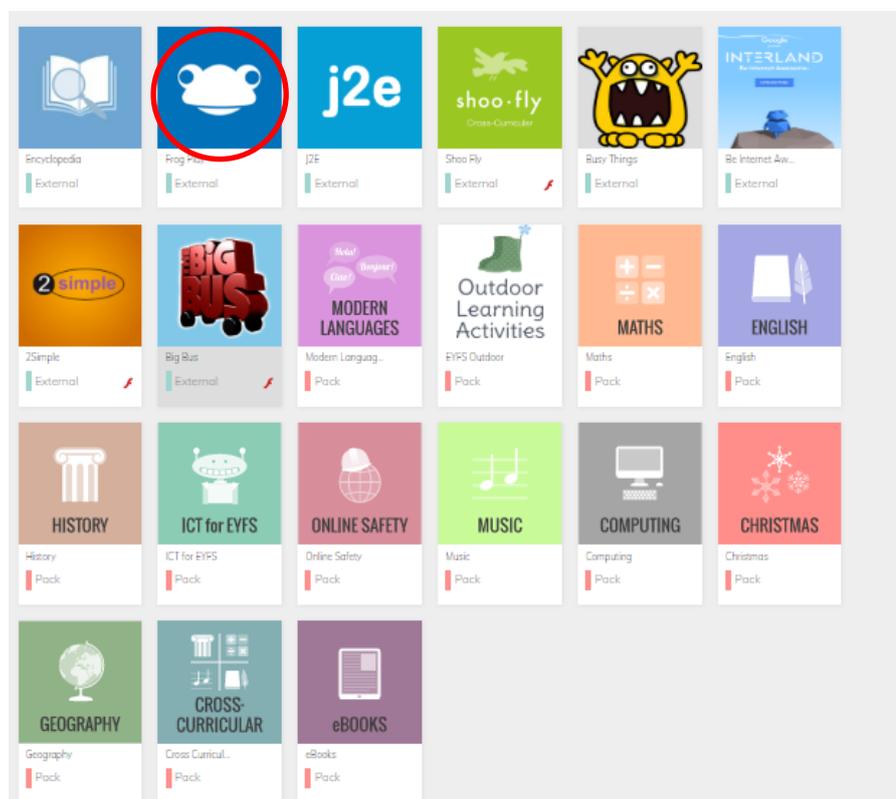

They can explore the resources by clicking the **Resources** link.

Any work completed in J2E can be seen by the teacher.

If your child has any work to complete in Frog, you will be notified by email / text message / on the message board. To access this work, click on **Frog Play**

Click on the calendar to access assignments.

Find the activity and complete it.

stating your child's name, year group and class and we will do what we can to help by checking your child's password or resetting it as necessary. We will endeavour to do this as quickly as we can, although as we are working on a skeleton staff, please note that it may not be possible to do this on the same day!
