

Year One Plan For Phonics and Spelling Spring B

Dear Parents,

This is our plan for the teaching of high frequency words, phonics and spelling in year one. Some days we will have dedicated lessons to these objectives, other days we will have quick 10 minute sessions. From this half term onwards, our Monday dedicated phonics lesson will be split into three groups, Mr Allison, Miss Costello and Mrs McConnell will each teach a group of children during this time at a pace to suit your child's learning needs.
