

# Year One Homework Challenges Autumn B 2024

<b>Maths</b>	<b>Maths</b>	<b>Literacy</b>	<b>Literacy</b>	<b>Life Skills</b>
Count to 20 (or 30) forwards and backwards. Choose a number and find one more and one less or two more and two less.	Learn how to count in 2's up to 20. Can you do it backwards?  (Your aim is to do this fluently, without lots of thinking time.)	Work with an adult to recognise and write your capital letters.  <i>Please use the formation handouts I will send home.</i>	Practise your handwriting! Have you nipped, flipped and gripped your pencil? Work on a, c, o, d, g, q, e, s, f Parents – insist on correct size, formation and keep them on the lines please! <i>Please use the formation handouts I will send home.</i>	Learn the green cross code for crossing roads safely.  Can you think of any other rules to stay safe on paths and roads?
<b>RE</b>	<b>Computing</b>	<b>Science</b>	<b>Science/Art</b>	<b>Music</b>
Draw/create your own artwork to represent love and forgiveness e.g. hearts/hands crossing/hands holding each other.	Use any art package on a computer (paint, JIT, websites) create a picture with a Winter theme.	Go on a materials hunt around your house. Can you find an object made from: *wood *metal *glass *plastic Can you find any different materials?	Can you remember the four seasons and the months in each one?  Create a piece of art showing the four seasons using any techniques you want to.	In your home, find things that make these sounds: *quiet *loud *high *low *smooth *jumpy
