Your child should enter their username and password. This should be in the home-learning pack that was sent out last week.

They should then be directed to their home page where there will be a list of spelling games. To complete an activity, click on it.

They can also see their points score as they complete activities.

As well as accessing spellodrome through the spellodrome sign-in screen, the children can also access spellodrome through their Mathletics home page too.

stating your child's name, year group and class and we will do what we can to help by checking your child's password or resetting it as necessary. We will endeavour to do this as quickly as we can, although as we are working on a skeleton staff, please note that it may not be possible to do this on the same day!
