

## Year 3/4 - Autumn A - Life in a Victorian House.

	<u>Week 1</u>	<u>Week 2</u>	<u>Week 3</u>	<u>Week 4</u>	<u>Week 5</u>	<u>Week 6</u>	<u>Week 7</u> <b>Victorian Day</b>	
<b>English</b>	Cold writing – a rags to riches story	Fairs fair intro and settings descriptions	Historical stories Character description Big writing – letter to poppy	Historical stories Fair's Fair, talk for writing innovate	Historical stories Fair's Fair, invent own story	Information texts – write own information text about a famous Victorian.	Information texts – write own information text about a famous Victorian.	
<b>Science Circuits and conductors</b>	Let's think circuits lesson, how do you make the bulb light up?	Dangers of electricity discussed. Produce a poster about electrical safety.	Investigating which materials conduct electricity. Where are conductors and insulators useful?	Switches, children to investigate and to create their own switches.	Finding Nemo – brightest bulb test.	DT link Children to make a model room for a Victorian house with a working light source.	Continue models and review	
<b>History The Victorians</b>	Timeline, where do the Victorians fit in History. Introduce Queen Victoria and her family. Discuss the life her family may have had, her children etc	Find out about Lord Armstrong and the things that he invented.	Link to Lord Armstrong and his family and their home of Cragside house. Look at the different rooms in the house and compare to own homes.	Poor children in Victorian times, what was like life for them in 1840? Discuss the jobs that children would have had at Cragside house. Write a first person report of a day at work	Education in Victorian times, Discuss the education children at Cragside would have and compare this to poorer children. Consider how education for the masses was introduced and how this affected children working. Follow instructions to draw a Victorian school room.	Discuss how we can find evidence about Victorian life. Look at census records, photo, drawings, objects, what do they tell us about how the Victorians live? Do we have this information about other times in history?	Children to research famous Victorians and how they changed life for children in Victorian times and begin to produce their own power point presentation Produce a power point presentation about the Famous Victorian the group have chosen.	
<b>RE Religions in our neighbourhood (PPA)</b>	Who is God? Discuss how Victorians were God fearing and read stories from the Bible which reflect this eg Tower of Babel, Moses and the Exodus and what these tell us about God.	Read parables where God is seen as caring and forgiving and compare to those from last week. A caring shepherd, forgiving father	Read and discuss stories that Jesus told eg the unforgiving servant, the rich fool and discuss what these tell us about God's character. Discuss the concept of the Trinity.	How is God seen in people's lives? Discuss what it means to have God as part of your life. How did it affect how Jesus behaved – use examples from the New Testament.	How Victorians and Christians today believe that giving to charity is part of their religion eg Dr Barnado and Salvation Army.			
<b>Art</b>	Look at William Morris pictures and discuss the style of the work. Discuss favourite paintings why etc?	The children will use their observational skills to draw a picture of a flower and to match colours to the picture.	The children will use a view finder to zoom in on a particular part of their drawing and enlarge this section.	The children will have 6 copies of their picture and will experiment with different ways of creating a pattern using these. The children will create their design on polystyrene	The children will use paint with their design to create their pattern and to print using their first colour.	The children will use their second and third colours to add detail.	The children will evaluate their work.	

ICT Photography linked to RE Word processing Research the Victorians (PPA)	PPA Children to learn to take photographs of objects and buildings using digital cameras	PPA Children to be introduced to the powerpoint programme and will learn how to insert pictures	PPA – Children will take photographs to include in a powerpoint about our school.
