## Year 2 Autumn A Maths Plan: Mrs Hedley's Set

| Week | Focus |
| :---: | :---: |
| Week 1 (2 days) | Counting forwards and back in ones fluently. <br> Revise the format of number lines and hundred squares. <br> One more and one less. <br> Children will work on numbers to 20,50 or 100. |
| Week 2 | Place Value <br> Read and write numbers up to 100 <br> Know the value of each digit in a 2 -digit number <br> Compare and order numbers to 100 <br> Some children will be introduced to: <br> Read and write numbers to 1000 <br> Recognise the place value of each digit in a three-digit number (hundreds, tens, ones) |
| Week 3 | Place Value <br> Compare and order numbers to 100 <br> Find given numbers more, less and numbers in between <br> Use the < and > signs <br> Solve problems involving place value <br> Some children will be introduced to: <br> Compare and order numbers up to 1000 (ascending and descending) |
| Week 4 | Addition <br> Add a 2-digit number and a 1-digit number <br> Add a 2-digit number and a multiple of 10 <br> Add 2 2-digit numbers <br> Word problems <br> (number lines, hundred square and practical apparatus) <br> Some children may: <br> Add 2 2-digit numbers (no bridging) <br> Add 2 2-digit numbers with bridging <br> Be introduced to adding to a 3-digit number without bridging |
| Week 5 | Subtraction <br> Subtract a 1-digit number from a 2-digit number <br> Subtract a multiple of 10 from a 2-digit number <br> Subtract 2 2-digit numbers <br> Word problems <br> (number lines, hundred square and practical apparatus) <br> Some children may: <br> Subtract 2 2-digit numbers (no bridging) <br> Subtract 2 2-digit numbers with bridging <br> Be introduced to subtracting from a 3-digit number without bridging |

| Week 6 | Multiplication <br> Investigate / consolidate multiplication as repeated addition <br> Revision of 2, 5 and 10x tables (recall) <br> Solve missing number calculations involving 2,5 and 10x tables <br> Solve problems involving multiplication <br> Some children will be introduced to: <br> $3 x$ table and related facts |
| :--- | :--- |
| Week 7 | Division <br> Investigate division as sharing equally between groups (2,5 and 10) <br> Consolidate division as repeated subtraction <br> Use x facts to help with division facts (inverse) <br> Solve problems involving division <br> Some children will: <br> Divide quantities by 3 <br> Find remainders after division |
| Maths topics may vary from the plan outlined above, depending on the learning needs of the <br> children at the time. |  |
