

Starting Nursery

Welcome to Nursery

# Arrangements For September

Let the fun begin!

# Welcome to Nursery!

We are now in a position to share with you our starting arrangements for September. Thank you for your patience, as we have been busy planning from the Government guidance. You can find the guidance for schools and parents by following the links below if you would like to look at them.

[Guidance for full opening: schools - GOV.UK](#)

[What parents and carers need to know about early years providers, schools and colleges in the autumn term](#)

## Nursery will work as a self contained bubble!

All of the children will be able to attend and we will work as a self contained bubble in one half of the Early Years building.

Pre-school will also be back, welcoming 2 year olds in the morning and afternoon. They will work as a self contained bubble in the other half of the building.

At this time the children will not be mixing together. Although we hope this will be a temporary measure.

## washing and cleaning!

The children won't be required to socially distance. However there will be plenty of hand washing and cleaning in place. The shared toys and resources will be cleaned daily and the children and staff will be washing their hands regularly throughout the day. We will also have some adaptations to our provision, such as disposable painting aprons for example.

## Which Sessions?

Your child will be able to attend Nursery for the sessions you requested originally. These are not impacted by the coronavirus arrangements. If you would like to alter these you will need to contact Mrs Markham-Lee on 822328

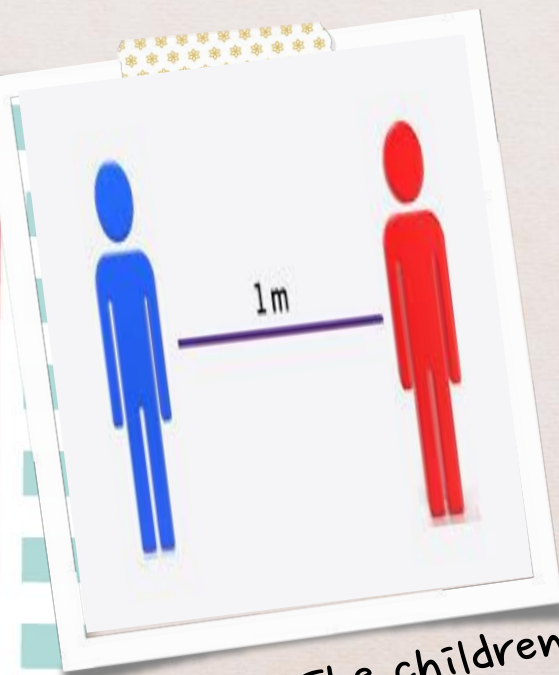

## Morning start Time

*To minimise contact between children and parents in the school we have staggered the start and end times for different classes of children. Our start time is 9.00am.*

In order for the distancing systems to work across the school and Pre-school it is important that you keep to your time slot and try to be punctual. You will also need to leave fairly promptly.

The children  
start Wednesday  
02-09-2020

Entrance A

## Entering The Site

*Due to the added complications of the building work we cannot use the Nursery gate for the first half term, therefore we will be using Entrance A to avoid cross over with other parents. This is the gate at the top of the ramp in the picture.*

## Where next?

cross the  
yard

Go straight across  
the main school  
yard from the gate

through the  
side gate

Through the black  
gate at the right of  
the Nursery  
building

straight ahead

Go straight  
ahead, following  
the right side of  
the building to the  
back

turn left and use  
the second door

Turn left at the very  
back of the building  
and go to the second  
door

There may be occasions, on a lunchtime when Pre-school will be leaving as you come in the side gate. In order to maintain distancing we will be operating a keep right system for entering and exiting. Please look out for any markings on the ground.

# Bringing The children In !

The government guidance advises not allowing parents to come into the building due to the Coronavirus.

However we appreciate that the children are young, new or have had a lengthy period away so we are prepared to waive this initially.

But please could you:-

- Sanitise hands on the way in
- Remain for as short a period as possible
- Adhere to social distancing wherever possible

# If Your child is Staying All Day

## Lunchtime

The children have their lunch from 11.30 - 12.00.

## Where

They have their lunch in the nursery building. It is delivered to us.

## What

During the first half term the kitchen will be closed therefore lunch will be prepared off site and delivered. It will be a limited menu. You may also send a packed lunch.

Going home at the end of the session

Collecting  
your child at  
12.00 or  
3.00

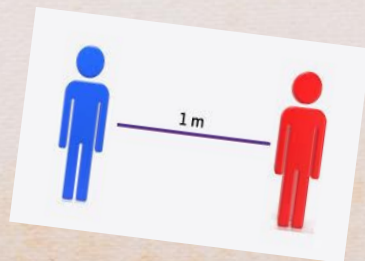

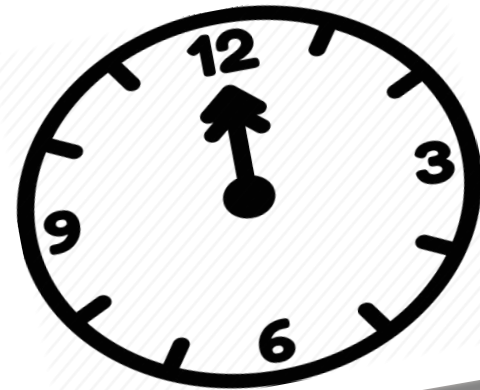

Going home at 12.00 or 3.00pm

Entrance A

### Entering The Site

*Please could you enter by Entrance A and wait in the area in front of the Nursery building (zone 1), adhering to social distancing. To avoid parents crossing on the narrow path we will bring the children out to the gate and send them to you, when we see you. As per our usual practice.*

## Afternoon start Time

*You will need to follow the procedures for the morning starting, using the same entrances etc.*

See you in September

Have a lovely summer and  
we look forward to seeing  
you and your child in  
September.
