Both Providers

We would like to make clear that parents eligible for 30 hours **MUST** reconfirm by the end date stated on their eligibility code issued by HMRC. Where we are notified by the Local Authority that you have missed your reconfirmation deadline date or that you are no longer eligible, your place will enter into a grace period, as set out in Regulations 2016, determined by HMRC or a First Tier Tribunal in the case of an appeal. In these circumstances we will contact you about the end of your free extended entitlement place. It is therefore extremely important when taking up your child's place that you are fully aware of the importance of reconfirming your eligibility code and what this means for you and your child.

West Bedlington Early Years Partnership

West End Primary School Nursery and West End Pre-School are part of the West Bedlington Early Years Partnership. This means that, in addition to working closely together, we also work closely with other pre-school providers in the area, namely Trinity Out of School Association, who may be able to offer shared provision with us for those eligible for 30 hours funded places. Parents interested in shared provision between two settings can apply for places through the school or other pre-school settings. A copy of the admission request form is available from the school office or via the school website at www.westend.northumberland.sch.uk.

The West Bedlington Early Years Partnership (West End Primary School Nursery, West End Pre-school and Trinity Out of school association) shares the nursery building. Children attending West End Primary School Nursery are taught by our qualified teachers and Level three teaching assistants. Those attending West End Pre-school are taught by staff with Early Years Professional status and Level three trained support staff. Trinity out of school

association offer wrap around care before and after school. All children using the setting are able to access all areas of learning and staff work closely together to provide an excellent early learning environment.

Intake

West End Primary School Nursery

There is one major intake of children into the nursery classes in September of each year. Those children who have had their third birthday are eligible to be admitted to the Nursery at this time, i.e. children whose third birthday falls between 1st September and 31st August of the previous academic year. Please see below for further clarification.

West End Pre-School

Admit children when they are 2 year old. They are eligible to start after their second birthday whenever this falls. The children will remain with West End Pre-school until the September after their third birthday when they will transfer to West End First School Nursery.

Intakes during the academic year

There may be a limited number of places available during the school year to admit children who are new to the settings. It is likely that there will only be a few places available so it is important that parents, wherever possible, register interest in these places in advance by adding their child's name to the appropriate waiting list. If a place becomes available we will contact parents from the waiting list to confirm if they would like to accept the place. Priority will be given to those parents who have already registered their interest with the settings.

Eligibility criteria in brief for West End Pre-School

Eligibility criteria in brief for West End Primary School Nursery

Children who are three years old at the start of the new academic year

In both settings there is a requirement that a minimum of two sessions is taken up by a child.

Criteria for admission to West End Pre-School

In the event of over subscription the selection criteria outlined below will be applied in order of priority.

1. 'Looked after children', i.e. children in the care of the local authority, or children who were previously looked after, but immediately after being looked after became subject to an adoption, residence or special guardianship order or a parental arrangement.
2. Children whose parents have registered interest in the Pre-School and have added their details to the waiting lists.

Criteria for admission to West End Primary School Nursery

The school is open to receive applications for admissions from parents/carers of all children.

Priority must be given to children with an Educational Health Care Plan, which names the school.

In the event of over subscription the selection criteria outlined below will be applied in order of priority.

1. 'Looked after children', i.e. children in the care of the local authority, or children who were previously looked after, but immediately after being looked after became subject to an adoption, residence or special guardianship order or a parental arrangement.
2. Children with a sibling at the school at the time of admission. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling.)
3. Children who live in the school's catchment area as defined by the Local Authority.
4. Children with exceptional medical or social needs.
5. Other children

If there are more than the permissible number of children within a particular criterion, priority will be given to children living nearest to the school; distance measured in a straight line 'as the crow flies', between the home front door and the main gate of the school, by using the Local Authority's computerised measuring system. In the event of children living equidistant from the school, lots will be drawn.

Waiting List

In cases when an application for a place in school has to be refused the child's name will be placed on the waiting list. If a place subsequently becomes available, the school's waiting list will be examined and priority given to applicants in keeping with the criteria shown above.

Procedures

- Parents wishing to register their child for admission to Nursery should complete the application form and return it to school. Places will then be allocated according to the above criteria with no reference to the date of application.
- Parents of a child with a disability should inform the Headteacher at the time of application. The school makes every effort to ensure that disabled children are not put at any substantial disadvantage in accessing the curriculum and are not treated less favourably, without justification, than their non-disabled peers.
- Parents will be notified as to whether or not their child has a place for the Autumn term in the week before the spring half term holiday.
- If an application is turned down an explanation will be provided based on the selection criteria.
- Applicants seeking admission under criterion 4 will be asked to provide appropriate evidence e.g. a report from a doctor or specialist. The governors must be satisfied that there is a specified medical reason which makes attendance at this school essential.
- The Governing Body reserves the right to withdraw the offer of a place if:
 - a) false information (i.e. address or declaration of Special Educational Need) has been given to secure a place
 - b) parents do not respond to the offer of a place in the time scale indicated when the place is offered.

Appeals

If you are not allocated a place your child's name may be entered on a waiting list. You may also appeal the decision by writing to the Appeals Committee of the Governing Body. Your appeal will be considered by the Appeals Committee and you will be informed in writing of their decision. The decision of the Appeals Committee is final.

This policy was approved by the Strategic Direction Committee of the Governing Body Of West End Primary School on 16th October 2019 and will be reviewed annually.
