Dear Parents

As you will be aware, Meadowdale Academy have announced they have commenced a consultation to become a primary school from September 2019. Whitley Memorial First School have also announced they are working with the Dioceses and Local Authority to change their status to Primary.

I would like to reassure parents and carers at West End First School that we are taking these possible changes very seriously. Our Governing Body are seeking advice and support from Northumberland County Council to decide the best way forward for our school and to ensure that the future of West End First School is secure.

We will keep you informed of future developments.

If you wish to read the consultation documents, they are available at

Kind regards

J Bushell
